

The Stone Age Year 3 2023 Homework

Hunter-gatherers used spears to catch animals and rocks to knock fruit out of trees. Create your own spear using a stick and string. In a safe space, practise throwing sticks and balls. You could even create Stone Age themed targets!

Create a Stone Age menu. Research ingredients that were available at the time. Write a recipe to give step-by-step instructions (including instructions for hunting/gathering) for someone to recreate this dish.

Using natural materials (stones, sticks, plants/flowers), create a picture of the Stone Age.

Draw and list animals that existed in the Stone Age.

Create a Stone Age quiz to test your friends and family. See who can get the best score!

Using a shoebox (or similar) create a Stone-Age Cave. Think of things to include in your cave e.g., cave art, fire....

Imagine you have travelled back in time to the Stone Age. Write a diary entry about your experiences.

Create your own story using cave art drawings to show a day in the life of a Stone Age family.

Design a ship of your own to sail across the oceans of the world. Draw and label your ship with all of its unique features and don't forget to give it an adventurous name!

Research dwellings from the Stone Age to the Iron Age. Create a picture timeline to show how dwellings changed throughout this time period.

Create types of paint by crushing berries, grass, leaves and other natural materials. Use the paint to make a picture.

List different jobs that people had to do during the Stone Age. Create a job advertisement for one of the jobs.

Create an acrostic poem for

STONE AGE

Imagine you are an archaeologist. Place small objects in sand, soil or rice and ask someone to find them using a small brush (e.g., toothbrush or make-up brush) or teaspoon. Ask someone to hide some objects for you to find.
