

**Natural Disasters  
Year 5  
Homework**

Write a newspaper report outlining the devastation after a natural disaster.

Write a 10 line simile poem on natural disasters, or an acrostic with sentences using the theme of natural disasters.  
V O L C A N O  
E A R T H Q U A K E  
T S U N A M I

Research a list of active volcanoes and how often they erupt.

Make an A-Z list of words to do with natural disasters.

Have a go at creating this amazing lava cake! The recipe is available at: [www.bbcgoodfood.com/recipes/1753648/easy-chocolate-molten-cake](http://www.bbcgoodfood.com/recipes/1753648/easy-chocolate-molten-cake) There's lots of recipes online, so just search for Lava cake.

Describe what would occur during earthquakes of different levels of severity in your home.

Research and explain how Charles Francis Richter developed technology to measure earthquakes all around the world. Can you draw and label the technology, explaining how it works?

Make a model of the Earth's layers.

Design a natural disaster family assistance kit

Paint a scene about a bushfire.

Can you design, make and label the different stages of a natural disaster? You can choose and research any natural disaster which interests you the most. Think about the materials you could use to make your 3D model out of.
